4 I became a resident at 9 Canal St., where the apartments
5 are right above the Brattleboro Food Co-op.

6 I have befriended a half a dozen residents. The topic of
7 the day tends to center around the drug activity that takes place
8 in and around the building.

9 Often times the users and dealers sneak past a resident
10 who has keys to the lobby door. My response to this intrusion is
11 to simply say, "No, I will not let you in." I say, "It's policy."

12 I have made mention several time to the housing agency
13 and have been told to call the cops if I see unusual activity.

14 Despite my efforts, I have had no response — with the
15 exception of a resident who told me, “buy a can of mace.”
