4 As part of the Brookline Selectboard's 2026 Building
5 Planning Initiative, Brookline voters are invited to attend a
6 Special Town Meeting Saturday, June 20, at 9 a.m. in the
7 Multipurpose Room in the former Brookline School Building, 624
8 Grassy Brook Rd.

9 The meeting will include articles related to town facilities
10 and future planning, including:

11 • Article 1: A proposed Town Garage improvement
12 project to build covered bays to expand storage capacity, install a
13 cement floor, and add covered equipment storage.

14 • Article 2: A vote to allow Australian ballot voting on
15 future 2026 public questions concerning town buildings. This is
16 to give the town flexibility during possible voting on potential
17 scenarios developed by the new Building Use Workgroup.

18 The Selectboard and Building Use Workgroup will
19 provide an update at the meeting on ongoing work to develop
20 and evaluate options for future building use for community
21 consideration.

22 All Brookline voters are encouraged to attend,
23 participate, and stay informed as the town works together to plan
24 responsibly for the future of its public buildings and
25 infrastructure.
